COURSEWORK

COMPUTER SCIENCE
Computational Thinking
Algorithmic Thinking (Expected Teaching Asst)
Fundamentals of Computer Engineering
Introduction to Program Design
Functional Programming

MATHEMATICS
Honors Calculus 3 & 4 (Teaching Asst)
Complex Analysis
Honors Real Analysis
Honors Linear Algebra

SKILLS

PROGRAMMING
Proficient
Java • Shell • Python • Scala
Haskell • Ruby • C/C++

Familiar
HTML • Javascript • CSS • PHP•
Typescript • Node.js • Assembly •
Linux System Administration

EXPERIENCE

RICE MATH DEPARTMENT | TEACHING ASSISTANT
Aug 2015 – Present | Houston, TX
- TA for Honors Calculus 3 (Fall '15) and 4 (Spring '16)
- Led Help Sessions to assist students with homework assignments
- Clarified lecture material

RICE IT DEPARTMENT | STUDENT COMPUTER CONSULTANT
Jan 2015 – Present | Houston, TX
- Assist students and faculty at Rice with computer repairs, virus scans, data backup, and software installation
- Help to maintain and improve a Linux-based system of connected Drobo bays
- Provide consultation for common computer problems and hardware purchases

RACKSPACE | SOFTWARE DEVELOPMENT INTERN II
May 2013 – Aug 2013 | San Antonio, TX
- Migrated several internal Rails 2 apps to Rails 3
- Collaborated with a fellow intern to revamp an internal campus map app using Sinatra

RACKSPACE | SOFTWARE DEVELOPMENT INTERN I
July 2012 – Aug 2012 | San Antonio, TX
- Rewrote parts of billing software in Java to make use of actor-based parallelism
- Collaborated with two fellow interns using agile methodology

RESEARCH

WAH CHIU LAB | CPRIT UNDERGRADUATE RESEARCH FELLOW
May 2015 – Aug 2015 | Baylor College of Medicine, Houston, TX
- Researched various modern methods in electron microscopy, electron tomography, molecular biology, and subcellular oncology
- Developed and improved software in the EMAN2 tomography library using Python and C++ (http://blake.bcm.edu/emanwiki/EMAN2)
- Tested various micrograph filtering methods
- Wrote and presented a poster on my findings regarding pre- and post-filtering of electron tomograms

AWARDS

2015	Regional	CPRIT Summer Undergraduate Fellowship
2014-Present	Top 30% GPA	Rice University President's Honor Roll

MISCELLANY

- Enjoy running, biking, and calisthenics. Most recently, I competed in the San Antonio Rock and Roll half marathon.
- Avid reader of both fiction and nonfiction, particularly in the areas of science fiction and cognitive philosophy.
- Studied both Italian and Spanish, and am currently able to understand and speak both at a rudimentary level.
